The Financial Conduct Authority is the independent financial services regulator. It requires us, Close Asset Management Limited, to give you this important information to help you to decide whether our Close Stocks and Shares Individual Savings Account (ISA), and/or our Investment Account and/or our Close SIPP, and/or our Close JISA is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

# 1. Key Features of the Close Stocks and Shares ISA

## Aims

---

To help the value of your money grow, or to provide an income, in a tax efficient way over the medium to long term

In the case of the Close Stocks and Shares ISA, to allow you to buy, switch or sell a wide range of investments, including shares and gilts, as well as collective funds which include a range of funds to best suit your objectives

## Your investment

---

There is no set term – you can invest for as long as you want but you should be prepared to invest for at least five years

You can invest regular and/or single lump sums from a minimum of £50 per month or £1,000 for lump sums

The ISA allowance for the current tax year is £20,000 and can be held in cash, stocks and shares or any combination of the two. Any contributions from 6 April each year will count towards that year's limit

You can transfer previous years' ISA savings freely between stocks and shares and cash if you wish

## Risks

---

What you get back will depend on the performance of the investments you choose, and will change from day to day

The value of your investment and any income from it can fall as well as rise, and is not guaranteed at any time. It could also fall below the amount you originally invested, particularly in the early years

Our charges may increase in the future, which would reduce the value of your investment

If you cancel your Close ISA within 14 days of us accepting your application, and the value of your investments has fallen before we receive your instruction, you will get back less than originally invested

Any foreign investments will be affected by changes in currency exchange rates

If you are transferring from your existing ISA manager, there could be exit penalties or other charges imposed that reduces the value of your transfer before we receive it

If you withdraw money from your Close ISA, this will reduce the amount of any income and capital growth you receive

If any growth on your Close ISA is less than the withdrawals you make, the value of your Close ISA will fall

Inflation will reduce what you can buy in the future

Tax rules may change

These are the key risks that could affect your investment. For more information on risks please read our Guide to the Close Stocks and Shares ISA, available on the Close Brothers Asset Management website.

# Questions and Answers

---

## Q What is the Close Stocks and Shares ISA?

As the name suggests, it is a Stocks and Shares ISA, which is an investment that has tax advantages for most UK residents over 18 years of age. There is no UK Income Tax or Capital Gains Tax to pay on any growth for qualifying UK residents investing up to the relevant ISA subscription limits.

---

## Q Who can have a Close Stocks and Shares ISA?

You need to be aged 18 or over to be eligible to open a Close Stocks and Shares ISA.

You will also need to be resident and ordinarily resident for tax purposes in the UK. You will not be able to hold a Close ISA jointly with, or on behalf of, anyone else.

---

## Q How much can I pay in?

You may subscribe to:

One Stocks and Shares ISA

You may not subscribe to two (or more) Stocks and Shares ISAs in the same tax year, unless you make a transfer of the current year's subscriptions from one type of ISA to the other. In this case the subscriptions to the receiving ISA are treated as if these were made to the receiving ISA at the start of the year.

The ISA allowance for the current tax year is £20,000 and can be held in cash, stocks and shares or any combination of the two. Any contributions from 6 April each year will count towards that year's limit. This limit may be adjusted each tax year in line with the Consumer Prices Index. If you do not subscribe up to the limit in any tax year this cannot be carried forward or added to the subscription limit of the next tax year.

You can open a Close Stocks and Shares ISA by transferring all or part of an existing Stocks and Shares ISA or by making a cash payment to the plan. You will need to check with the transferring ISA Manager to see if they will charge you for the transfer.

---

## Q Can I make further investments?

Yes – at any time, as long as you do not exceed the ISA subscription limits shown above for that tax year. There is no limit to how many transfers of previous years' subscriptions you can make.

---

## Q How do I make further investments?

There are a number of ways you can add more money:

By debit card or direct debit at any time, or

By making a transfer of all or some of an existing Stocks and Shares ISA or Cash ISA

In certain circumstances, cheques may be accepted, at our discretion.

---

## Q Can I reduce my regular payments?

Can I reduce my regular payments?

Yes – you can stop or change your regular payments at any time by contacting the Investor Support Team whose details can be found on page 18.

---

## Q What can I invest in my Close Stocks and Shares ISA?

The Close Stocks and Shares ISA gives you the opportunity to choose from a wide range of different investments including funds, stocks and shares and gilts available through the Self Directed service.

---

## Q Will I receive income from my investment?

Yes – if you choose to invest in a fund which pays income. You can find out how often your chosen fund(s) pay out an income, and when it will be paid, by speaking with the Investor Support Team.

---

## Q Can I switch investments within my Close Stocks and Shares ISA?

Yes – you can decide how your money is invested and switch investments within your ISA at any time. You will need to bear in mind that underlying investment providers may have their own limits for switching and how much must remain within a particular investment.

---

**Q What could I get back?**

You will get back the value of your investments held in your Close Stocks and Shares ISA at the time the investments are sold. There is no guaranteed amount and you may get back less than invested. The amount you get will depend on the following factors:

---

How much you have invested

---

The length of time it is invested

---

The performance of your underlying investments

---

Charges

---

Amount of any withdrawals you have taken

---

The Terms and Conditions of the underlying investment

If you want to close your ISA, please contact the Investor Support Team.

---

**Q How will I know what my Close Stocks and Shares ISA is worth?**

Twice a year you will receive an online statement showing the current value of your ISA, as well as the transactions carried out for you during the previous six months. If you need information between statements, you can review details of your ISA online.

---

**Q How do charges and expenses affect my Close Stocks and Shares ISA?**

The charges with respect to investments held in your ISA will be charged in the way described in the Close Brothers Asset Management Terms and Conditions. The effect they will have on your investment will be to reduce the rate at which your investment grows.

---

**Q How do I withdraw my money?**

You can make withdrawals through our online portal or can close your account by writing to us at the address shown in the 'How to contact us' section at the back of this booklet

---

You can withdraw any amount – or close your account – at any time, with no administration charges

---

Whether you make a withdrawal or close your account, we will pay the amount by electronic bank transfer into a bank account in your name, nominated by you

---

Do not forget that if you take anything out, anything you put back in will count towards the ISA subscription limits for the current tax year

---

**Q What about Tax?**

You pay no tax on any of the income you receive from your ISAs. However, any investment dividends are received with a 10% dividend tax credit which cannot be reclaimed.

You do not have to declare details of your income and capital gains on an ISA in your tax return.

You can take your money out at any time without losing tax benefits already accrued on those monies.

Tax benefits depend on individual circumstances. This tax treatment may change in the future. We are unable to provide you with individual tax advice.

The taxation information above is based on our interpretation of current legislation and HMRC practice. Please remember that current tax benefits may change in the future.

---

**Q Can I transfer my existing ISA to my Close Stocks and Shares ISA at any time?**

Yes – you may transfer all of your current year ISA, or part or all of a previous year's ISA at any time.

A transfer may be made in cash or by re-registering assets subject to our and your existing ISA Manager's agreement.

You will need to check with your existing ISA Manager whether they will make a charge to sell the assets and transfer the money in cash or make a charge to re-register the assets.

---

**Q Can I transfer to another ISA Manager at any time?**

---

Yes – you can transfer your Close Stocks and Shares ISA to another ISA Manager at any time provided this request is made in writing to us. You may transfer all of your current year’s ISA, or part or all of a previous year’s ISA at any time, provided your new ISA Manager agrees to the transfer. A transfer may be made in cash or by re-registering assets subject to the new ISA Manager’s agreement.

We will not apply a charge for making a transfer.

---

**Q Can I change my mind?**

---

Yes – once we have accepted your application for an ISA you will have 30 days during which you have the right to change your mind. In order to exercise your right to cancel, you must write to us at the ‘Contact us’ address at the end of this document. If you cancel your Close Stocks and Shares ISA and the value of investments has fallen in the meantime, you will receive less than originally invested.

If you decide not to exercise your right to cancel, you will still be able to withdraw your money whenever you want. However we will not refund any charges you have paid.

---

**Q What happens if I die?**

---

Following your death, if you have a surviving spouse or civil partner they will be entitled to subscribe an additional amount to their ISA. This is in addition to their own personal ISA allowance and is known as an Additional Permitted Subscription (APS). This is calculated as follows:

Where the ISA investor died between 3 December 2014 and 5 April 2018, the APS allowance equals the value of the ISA(s) at the date of death.

Where the ISA investor died on or after 6 April 2018, any ISA(s) held may remain open as a continuing account of a deceased investor, referred to as a continuing ISA. The APS allowance equals the higher of the value of the ISA(s) at the date of death or the value of the ISA(s) at the date the ISA(s) cease(s) to be a continuing ISA. The account will cease to be a continuing ISA on the earlier of the following:

---

Administration of the deceased’s estate is complete

---

The ISA is closed

---

Three years after the date of death

The minimum opening amount for our Investment Account is £50 for regular monthly payments. Other than that, you can pay in as much as you want.

## Q Can I make further investments?

Yes – at any time.

## Q How do I make further investments?

There are a number of ways you can add more money:

By debit card or direct debit at any time, or

By making a transfer of all or some of an existing investment

In certain circumstances, cheques may be accepted, at our discretion.

## Q Can I reduce my regular payments?

Yes – you can stop or change your regular payments at any time by contacting the Investor Support Team.

## Q What can I invest in an Investment Account?

You can choose from investments including:

Unit Trusts

Investment Trusts

OEICs (Open Ended Investment Companies)

Shares

Exchange Traded Funds (ETFs)

Gilts

## Q Will I receive income from my investment?

Yes – if you choose to invest in a fund or other investment which pays income.

If you invest in an Accumulation or Growth fund you will not receive an income payment from your investment. Any income generated will buy further shares or units in the fund.

## Q Can I switch investments within my Investment Account?

Yes – you can decide how your money is invested and switch investments within your Investment Account at any time. You will need to bear in mind that underlying investment providers may have their own limits for switching and how much must remain within a particular investment.

## Q What could I get back?

You will get back the value of your investments held at the time the investments are sold. There is no guaranteed amount and you may get back less than invested. The amount you get will depend on the following factors:

How much you have invested

The length of time it is invested

The performance of your underlying investments

Any charges

The amount of any income or withdrawals you have taken

The Terms and Conditions of the underlying investment

If you want to close your Investment Account, please contact the Investor Support Team.

---

**Q Will I receive interest on any cash I hold in my Investment Account?**

The interest rate payable on qualifying balances within your portfolio is set out on our website and is subject to change. Interest is calculated using your balance at that time. We will pay the interest into your account every month, in arrears on or around the first business day of each month – or when you close the Investment Account. Interest will be paid net of standard rate tax; unless you are a non-taxpayer and you have registered to have your interest paid gross.

---

**Q Can I transfer my existing Investment Account to my Investment Account with you?**

A transfer may only be made by re-registering assets, subject to our and your existing Investment Account Manager's agreement. You will need to check with your existing Investment Account Manager whether they will make a charge to re-register the assets.

---

**Q Can I transfer to another Investment Account Manager?**

Yes – you can transfer your Investment Account with us to another Investment Account Manager provided this request is made in writing to us. A transfer may be made in cash or by re-registering assets subject to the new Investment Account Manager's agreement.

We will not apply a charge for making a transfer.

---

**Q How will I know what my Investment Account is worth?**

Twice a year you will receive an online statement showing the current value of your Investment Account as well as the transactions carried out for you during the previous six months. If you need information between statements, you can review details of your Investment Account online.

---

**Q How do charges and expenses affect my Investment Account?**

The charges on your Investment Account will be charged in the way described in the Close Brothers Asset Management Terms and Conditions. The effect they will have on your investment will be to reduce the rate at which your investment grows.

---

**Q How do I withdraw my money?**

You can make withdrawals through our online portal or can close your account by writing to us at the address shown in the 'How to contact us' section at the back of this booklet

You can withdraw any amount – or close your account – at any time, with no administration charges

Whether you make a withdrawal or close your account, we will pay the amount by electronic bank transfer into a bank account in your name, nominated by you

---

**Q What about tax?**

Our Investment Account is not a tax exempt product.

The tax you pay will depend on the type of assets that you hold and your personal circumstances. At the end of each tax year, we will provide you with all the relevant information that you will need to include in your self-assessment tax return when calculating your liability to income tax. You will need to calculate any capital gains tax implications separately.

Please remember that current tax benefits may change in the future.

---

**Q Can I change my mind?**

---

Yes – once we have accepted your application for our Investment Account you will have 30 days during which you have the right to change your mind. In order to exercise your right to cancel, you must write to us at the 'Contact us' address at the end of this document. If you cancel your Investment Account and the value of investments has fallen in the meantime, you will receive less than originally invested.

If you decide not to exercise your right to cancel you will still be able to withdraw your money whenever you want. However we will not refund any charges you have paid.

**IMPORTANT** – Fixed Term Deposits must be held to maturity and cannot be closed before that date except in very limited circumstances. If you hold a Fixed Term Deposit in your Investment Account, the Investment Account cannot be closed or cancelled before the maturity of that Fixed Term Deposit. Please see the Terms and Conditions of the Fixed Term Deposit for further details.

---

**Q What happens if I die?**

---

If you die, your personal representatives must close your Investment Account. On receiving appropriate proof of title, we will pay them the balance together with any interest earned up to the date we close the Investment Account, or if requested, we will transfer the Investment Account's investments to them. The balance will take into account any gain or loss in the value of your investment. The proceeds from your Investment Account will form part of your estate for inheritance tax purposes.

# 3. Key features of the Close SIPP

Note: Stakeholder pension schemes are generally available and might meet your needs as well as the Close SIPP. This key features document is based on our interpretation of current legislation and HMRC's practice and should not be relied upon for detailed advice or as a statement of law. Please remember that current tax benefits may change in the future which could affect the amount of benefits you receive.

The Key features document should be read in conjunction with the Key features illustration.

The Close SIPP is a type of registered pension scheme known as a 'Self Invested Personal Pension' (SIPP), which allows you to make your own investment decisions. Like all registered pension schemes the Close SIPP provides you with a means of saving for your retirement. It is a long term investment and is designed to provide you with more flexibility over how and when you take your benefits. This type of plan can also be known as a Money Purchase Pension Plan or a Defined Contributions Plan.

The Close SIPP is designed to accept contributions and/or transfers from existing pension arrangements.

The underlying legal framework for the Close SIPP is that the Plan has been set up under trust and accepted as a registered pension scheme by HMRC. Close Asset Management Limited is the provider of the SIPP and has appointed Lion Nominees Limited as Trustee of the Scheme and Close Asset Management Limited to administer the Scheme.

Close Brothers Asset Management through the above entities acts as administrator, trustee and advisor to members of the Close SIPP. Close Brothers Asset Management have systems and controls in place to mitigate this conflict of interest. The Close SIPP is subject to the same legislation as a normal registered pension scheme, but it cannot be used to accept ongoing contributions from contracting out of the State Second Pension (S2P). This document provides you with the main points about the Close SIPP and should be read in conjunction with the Close SIPP Terms and Conditions set out in the Close Brothers Asset Management Terms and Conditions.

## Aims

The Close SIPP aims to provide you with :

A tax-efficient way to save for your retirement

The choice on how and when to take your benefits from the Normal Minimum Pension Age (NMPA) which is currently 55

A pension and a pension commencement lump sum on retirement

The flexibility to make investment decisions in respect of your pension, in accordance with the Terms and Conditions of the Close SIPP

The ability to nominate beneficiaries to receive benefits on your death

## Your investment

You can open a Close SIPP to receive transfers of benefits from other pension arrangements you have. You can also pay into the Close SIPP at any time

You can pay in up to the age of 75 and you can change your payments at any time

You cannot take your benefits until the NMPA of age 55 unless you retire early due to serious ill health or have a protected pension age as defined by the legislation

If you are in Capped Drawdown, the level of income you choose must be within HMRC's limits

## Your commitment

To make payments to your pension plan, within the limits set by HMRC

To tell us if you stop being entitled to receive tax relief on your contributions

To wait until you are at least the NMPA age 55 before taking your benefits, unless you retire early due to serious ill health or have a protected pension age as defined by the legislation

To settle any fees which have been raised in relation to the administration of your SIPP

To notify us immediately of any changes to your circumstances which may affect your membership of the SIPP

To stop making contributions after you reach age 75

## Risks

Benefits due to you may be lower than you expect if growth in your investments and interest rates are lower than those illustrated

If you take your benefits earlier than shown on your illustration, or stop paying regular contributions, your benefits may be lower than illustrated

High income withdrawals are unlikely to be sustainable if investment returns are low during the withdrawal period. They might also reduce any potential annuity

The higher the level of income withdrawals, the less you will have available to provide for dependants, or to buy an annuity in the future

The investment growth can be less than shown, and capital values can rise or fall

Annuity rates can change substantially over short periods of time, both up and down. They could be worse when you buy an annuity than they are now

The longer you wait before buying an annuity, the greater risk you bear of lower levels of income if you live longer than expected

Whilst you are able to contribute to your Close SIPP, we will not accept contributions after you reach age 75

Reviews of your income limits could see a decrease in the amount of income that you are able to take from your Close SIPP within a Capped Drawdown arrangement

The liquidity of your Close SIPP needs to be considered when you decide to take benefits from your fund. Certain assets may take longer to realise than others

Our charges may change in the future

The tax efficient nature of registered pension schemes may change in the future

A pension sharing order, made by a court against your Close SIPP, may reduce the value of your Close SIPP by the value of the pension credit

It may take time to realise the value of certain underlying assets, e.g. collective investment funds that invest in property

The risks associated with your Close SIPP may be higher or lower for certain categories of underlying investments. You should also be familiar with the content of the key features document

If you make contributions in excess of the annual allowance, you will be personally liable to pay a tax charge unless you have carried forward any unused allowance

Price inflation reduces the worth of all savings and investments

# Questions and Answers

---

## Q What does the Close SIPP allow you to do?

---

The Close SIPP allows you to build up a pension fund in a tax efficient way by obtaining tax relief on pension contributions and along with a more flexible approach to investments, it also allows more choice over how and when you take your benefits. You can hold a wide variety of investments in a SIPP. See 'What can I invest in?'.

---

## Q Can I transfer other pension arrangements into my Close SIPP?

---

Yes, you can transfer benefits from other pension arrangements you have such as SIPPS, Personal or Stakeholder Plans, Occupational Schemes and Retirement Annuity Contracts.

The Close SIPP can accept uncrystallised transfers and transfers in drawdown whether partially or fully crystallised. The transfer can be in the form of cash and/or in-specie provided they are investments that we allow.

The Close SIPP can accept transfers in as part of a Pension Sharing Order, both uncrystallised and/or crystallised.

We are unable to accept transfers in from Recognised Overseas Pension Schemes (ROPS).

---

## Q What can I contribute to the Close SIPP?

---

Although there is no limit on the level of contributions that you or your employer can make to your Close SIPP, consideration needs to be taken as to whether the contribution will qualify for tax relief purposes. Under current legislation if you are a UK resident and have UK relevant earnings, your contributions qualify for tax relief at the highest rate you pay.

The maximum amount of contributions on which you can obtain tax relief in any given tax year is the greater of £3,600 and 100% of your relevant UK earnings.

Total contributions for tax relief purposes are also restricted to the Annual Allowance. The Annual Allowance is an annual limit set by HMRC. The current Annual Allowance is £60,000. Where total pension contributions exceed the annual allowance for a tax year, an annual allowance charge will be charged at your marginal rate of income tax on the excess above the annual allowance.

If you exceed the annual allowance, you may be able to carry forward any unused allowance from up to three previous tax years.

If you decide to draw flexible income via Flexi-Access Drawdown or Uncrystallised Funds Pension Lump Sum (UFPLS) from this, or any other money purchase pension savings the annual amount that can be contributed after that event, to a money purchase pension scheme, will be reduced to £10,000 per annum. This is known as the Money Purchase Annual Allowance (MPPA) and should this apply then you would no longer be able to carry forward unused allowances.

If your 'adjusted income' is more than £260,000, then you'll be subject to the tapered annual allowance. If you earn in excess of £260,000, the standard annual allowance will be reduced by £1 for every £2 of 'adjusted income' above £260,000 to a minimum of £10,000.00. Adjusted income is broadly taxable income adjusted to include the value of any pension savings for the relevant tax year.

---

## Q How can I contribute to the Close SIPP?

---

You, or anyone on your behalf, including your employer if you have one, can pay contributions regularly into a Close SIPP on a monthly, quarterly or yearly basis and/or pay single contributions by electronic transfer.

---

## Q What can I invest in?

---

### Securities

Includes securities that are listed on a recognised stock exchange and are purchased and held by a UK based Stockbroker/Investment Manager, who are Financial Conduct Authority (FCA) regulated.

A recognised stock exchange for these purposes are:

The London Stock Exchange or the Alternative Investment Market (AIM), or

An exchange recognised by the FCA as a recognised exchange

This covers most transferable securities, including:

Shares in companies (equities)

Exchange Traded Funds (ETFs)

### Investment Trusts

Investment Trusts that are listed, or dealt in, on a UK stock exchange

### Units/Shares in retail investment funds

That are authorised or recognised by the FCA – this includes overseas Undertakings For The Collective Investment Of Transferable Securities (UCITS)

### Managed portfolios of collectives investments

Managed portfolio arrangements provided by a FCA regulated company that invest in permitted transferrable securities or funds

### Deposit accounts

Fixed Term Deposit accounts

### Not permissible

Commercial property

Unquoted shares

Unregulated Collective Investment Schemes (UCIS)

The above list refers to instruments available to invest in the Close SIPP. A wider range of investments are permissible for SIPPs in general and Close Brothers Asset Management reserves the right to change this list in the future.

### Q When can I take my benefits?

You can take benefits from your Close SIPP from the NMPA, currently 55, regardless of whether you have retired from your current occupation. You cannot normally take the benefits before age 55, unless you retire due to ill health or have a protected low retirement age as defined by legislation.

### Q How will my benefits be calculated?

Prior to 6 April 2024, the Lifetime Allowance was the maximum amount of pension savings that you could build up without incurring a tax charge. All benefits were previously tested against the Lifetime Allowance. The Lifetime Allowance has now been removed. From 6 April 2024, the Lump Sum Allowance (LSA) and Lump Sum & Death Benefit Allowance (LSDBA) have been introduced. The LSA is £268,275 and the LSDBA is £1,073,100. When you take benefits from your Close SIPP, any lump sum will now be tested against these two new allowances.

### Q What benefits can I have from the Close SIPP?

You can normally take up to 25% of your Close SIPP fund value as a Pension Commencement Lump Sum (PCLS) which is currently tax-free. The maximum amount that can be taken as a PCLS is £268,275 across all pension arrangements unless you hold a valid form of protection.

The remainder of your fund will then be used to provide you with an income either by way of Capped Drawdown, Flexi-Access Drawdown or by purchasing a lifetime annuity or potentially a combination of all three. Please note that Capped Drawdown is only available if you have accessed Capped Drawdown before 6 April 2015.

If you elect to take your benefits via UFPLS your payment will be made up of taxable and non-taxable elements. The amount of the non-taxable element will depend on whether you have sufficient lump sum allowance remaining.

### Q How much income can I drawdown from the Close SIPP?

This will depend on whether you are taking an income as Flexi-Access Drawdown, UFPLS or Capped Drawdown.

Flexi-Access drawdown allows you to:

Take 25% tax free as a PCLS, provided you have sufficient Lump Sum Allowance and use the remaining 75% to provide you with a taxable income. You do not need to take an income immediately from that part of your pension pot

Take withdrawals from your pension pot at any level you require, which will be taxed at your marginal rate of income tax. However be aware that the larger the withdrawals you take, the less of your pension pot will remain invested to help with your longer term income requirements

UFPLS allows you to:

Withdraw some or all of your uncrystallised funds i.e. non-drawdown funds as a lump sum

Take 25% of the payment tax-free and the remaining 75% taken as income at the point of payment at your marginal rate of tax. The 25% tax-free will be dependent on your available lump sum allowance so could be lower

You are not able to take a UFPLS:

---

From a Disqualifying Pension Credit (a pension credit paid from an ex-spouse when the pension it came from was already in payment)

---

Where you have Enhanced Protection with Lump Sum Protection

---

Where you have Primary Protection with Lump Sum Protection

---

If you have a Lifetime Allowance Enhancement Factor, 25% of the UFPLS must be tax-free.

Once a UFPLS has been taken from your SIPP, you will be subject to the MPAA and be limited to the amount of future contributions you can make across all schemes.

For Capped Drawdown, which is only available if you had accessed Capped Drawdown before 6 April 2015, there are limits laid down by the Government as to the maximum annual amount of income that can be taken from your fund, as shown in your illustration which will be produced when you elect to take benefits from your SIPP or in statements issued following periodic reviews of your income limit as required by legislation..

When taking Capped Drawdown, your age will decide when the maximum level of income you are entitled to is recalculated:

---

If you are under 75, we must re-calculate your maximum level of income at least every three years, or

---

75 or over, we must recalculate your maximum level of income every year

---

This recalculation may mean your maximum level of income may reduce or increase.

There is no minimum amount of income that you must take from your pension fund. You can vary the income level at any time subject to the current maximum.

You can convert your Capped Drawdown plan to Flexi-Access Drawdown at any time without charge. However, please note that where you have converted to Flexi-Access Drawdown and take an income, the amount you can contribute to a money purchase pension scheme will be reduced as you will be subject to the MPAA of £10,000.

---

### Q What is an annuity and when can I buy one?

---

An annuity is an insurance product which pays income to the annuitant for a pre-determined period. Often purchased at retirement with the proceeds of a pension these can be set up to pay an income until the death of the annuitant.

Annuity rates change all the time, up and down. Remember, you can use your fund on the open market to take advantage of the best rates available from the whole range of insurance companies. An annuity can provide a fixed amount of income, or it can increase each year. It is also possible to buy an annuity which will continue to be paid to your dependants if you die.

---

### Q What happens if I die?

---

When you die, your SIPP can be paid out as a lump sum or be paid out as income to your nominated beneficiaries. You can nominate beneficiaries to receive death benefits arising under your SIPP in the event of your death. Please note that the Trustees of the Close SIPP will have sole discretion on the distribution of death benefits.

Please be aware that nomination is the only means by which a beneficiary can take the benefits on as a pension for pension income. Without a valid nomination, they can benefit but only as a Lump Sum Death Benefit payment.

The tax position on death will depend on your age and whether you have taken any pension benefits from your plan.

If you die before age 75, you can normally pass on your pension pot to any beneficiaries free of tax, provided that this is done within two years of the date of notification of your death. If the benefits are paid as income, this will be tax-free. For lump sums, this will be taxfree up to the available LSDBA, with any excess taxed as income.

If you die after age 75, any lump sum or income will be paid subject to tax at the beneficiaries highest marginal rate.

---

### Q What happens if I stop paying contributions?

---

The fund in your Close SIPP will remain invested, but your benefits may be lower than the figures illustrated.

---

### Q What about tax?

If you are a UK resident, your regular and single contributions are paid net of basic rate tax, and we will collect the basic rate tax relief from HMRC. If you are a higher rate tax payer, you can claim the extra tax relief from HMRC via your self-assessment tax return. If your employer makes contributions, they will pay them gross. There is no tax relief on transfers from other pension funds into your SIPP. Remember that the rules on tax relief depend on individual circumstances and may change in the future without prior warning.

Contributions in excess of the annual allowance (including the MPAA which may apply after you have started to take income from your SIPP and the tapered annual allowance) will be subject to a tax charge at your marginal rate of income tax. Investments within the Close SIPP enjoy freedom from UK tax on income and capital gains, except that tax may not be reclaimed on dividends. If you exceed the annual allowance, you may be able to carry forward any unused annual allowance from up to three previous tax years.

Any income withdrawals via Flexi-Access Drawdown, UFPLS, Capped Drawdown or by way of an annuity will be taxed under the PAYE system.

For death benefits, lump sums will be tax-free up to the available LSDBA, with any excess taxed as income. Any lump sum or income, paid out to your beneficiaries on your death after age 75 will be subject to the individual beneficiary's marginal rate of tax.

---

### Q Can I transfer out?

Yes. However, if your Close SIPP is in drawdown, you may only transfer to a registered pension scheme arrangement which has been set up for the purpose of receiving transfers from income withdrawal arrangements.

---

### Q Can I change my mind?

Yes. You will have 30 days, from the commencement of the Close SIPP, during which you have the right to change your mind. In order to exercise your right to cancel, you must send a signed confirmation to the Investor Support Team at the address shown in the 'How to contact us' section at the back of this booklet. If you cancel and the value of investments has fallen in the meantime, we will reduce the amount we pay back to reflect that fall. Your right to cancel will remain unaffected if any event beyond your control makes it impractical to communicate the wish to cancel.

**IMPORTANT** – Fixed Term Deposits must be held to maturity and cannot be closed before that date except in very limited circumstances. If you hold a Fixed Term Deposit in your SIPP, the SIPP cannot be closed or cancelled before the maturity of that Fixed Term Deposit. Please see the Terms and Conditions of the Fixed Term Deposit for further details.

---

### Q Can I change my mind on subsequent transfers?

Yes. You will have the right to cancel any transfers from other registered pension schemes, whether they are received at the same time as when your Close SIPP is opened or at a later date. You will be able to give us investment instructions during your 30 calendar day cancellation period. However, if you choose to cancel the transfer under the terms of the cancellation rights, any investment made using the transfer payment will be sold and we will arrange to transfer the proceeds to another provider chosen by you. The amount to be repaid may be less than the amount paid to us if the value of your investment has fallen at the time it is sold.

Note: It may not always be possible to return a transfer payment to the original pension scheme if you cancel the transfer payment, within the cancellation period, after the transfer has been received by us. In this circumstance you will need to arrange for another pension scheme to accept the transfer.

---

### Q How will I know what my Close SIPP is worth?

After we accept your application you will be able to view details of your account online. This includes in progress activity. Every quarter we will send you a statement showing the current value of your Close SIPP. If you need information between statements please review your account online.

## 4. Key Features of the Close Junior ISA

### Aims

---

To help the value of your child's money grow, or to provide an income, in a tax efficient way over the medium to long term

In the case of the Close JISA, to allow you to buy, switch or sell a wide range of investments on your child's behalf, including shares and gilts, as well as collective funds which include a range of funds to best suit your objectives

### Your investment

---

There is no set term – you can invest for as long as you want but you should be prepared to invest for at least five years. When the child turns 18, ownership of the JISA will be transferred to that child and converted into an adult ISA

You can transfer previous years' JISA or Child Trust Fund (CTF) savings freely between stocks and shares and cash if you wish

### Risks

---

As returns are dependent on investment performance, investing in a Close JISA carries risk. The value of the investment and any income from it can fall as well as rise, and is not guaranteed at any time. Your child may get back less than you originally invested

Our charges may increase in the future, which would reduce the value of your investment

If you cancel your child's Close JISA within 30 days of us accepting your application, and the value of your investments has fallen before we receive your instruction, you will get back less than originally invested

Any foreign investments will be affected by changes in currency exchange rates

If you are transferring from an existing JISA or CTF manager, there could be exit penalties or other charges imposed that reduces the value of your transfer before we receive it

Inflation will reduce what you can buy in the future

Tax rules may change

# Questions and Answers

## Q What is a JISA?

The government offers generous tax breaks to encourage you to save for yourself but also for your children. One of the most popular and accessible ways is through a Junior Individual Savings Account or JISA. A JISA allows you to save money for a child without paying income tax (or capital gains tax) on the interest or returns they receive.

A JISA is not an investment in its own right – the best way to think of a JISA is as a ‘wrapper’ in which you can shelter savings and investments from tax.

## Q What is the Close JISA?

There are two types of JISA available in the market, a Cash JISA and a Stocks and Shares JISA, and a child can hold one of each. The Close JISA is a Stocks and Shares JISA and has tax advantages for most UK residents under 18 years of age. There is no UK income tax or capital gains tax to pay on any growth for qualifying UK residents investing up to the relevant JISA subscription limits.

## Q Who can have a Close JISA?

Only parents or guardians with parental responsibility can open a JISA for their children under 18. As the registered contact, you need to be aged 18 or over to be eligible to open a Close JISA – you will also need to have your own account with us. The registered contact is responsible for managing the account until the child’s 18th birthday, when the JISA automatically becomes an adult ISA. The money held in the account belongs solely to the child and withdrawals can’t be made until they turn 18.

A child can have a JISA if they live in the UK and are under 18. A child cannot hold a Child Trust Fund (CTF) and JISA at the same time; therefore any existing CTF balance will need to be transferred into the JISA.

## Q How much can I pay in?

You may subscribe to one JISA per child.

You may not subscribe to two (or more) JISAs in the same tax year, unless you make a transfer of the current year’s subscriptions from one type of JISA to the other. In this case the subscriptions to the receiving JISA are treated as if these were made to the receiving JISA at the start of the year.

The JISA allowance for the current tax year is £9,000 and can be held in cash, stocks and shares or any combination of the two. Any contributions from 6 April each year will count towards your child’s JISA limit for that tax year. This limit may be adjusted each tax year in line with the Consumer Prices Index. If you do not subscribe up to the limit in any tax year this cannot be carried forward or added to the subscription limit of the next tax year.

You can open a Close Stocks and Shares JISA by transferring an existing Stocks and Shares JISA or Child Trust Fund (CTF), or part of an existing cash JISA. You can also make a cash payment to the plan. You will need to check with the transferring JISA Manager to see if they will charge you for the transfer.

## Q Can I make further investments?

Yes – at any time, as long as you do not exceed the JISA subscription limits for that tax year. There is no limit to how many transfers of previous years’ subscriptions you can make.

## Q How do I make further investments?

There are a number of ways you can add more money:

By debit card or direct debit at any time, or

By making a transfer of all of an existing CTF, or by transferring all of an existing Stocks and Shares JISA or some or all of a Cash JISA

In certain circumstances, cheques may be accepted, at our discretion.

You can stop or change your regular payments at any time by contacting us.

---

**Q What can I invest in my Close JISA?**

The Close JISA gives you the opportunity to choose from a wide range of different investments including funds, stocks and shares and gilts available through the Self Directed service.

---

**Q Will I receive income from my investment?**

Yes – if you choose to invest in a fund which pays income. When opening the account you will be able to set your preferences on what to do with any income. Please note however, that you cannot withdraw the income from the JISA.

---

**Q Can I switch investments within my Close JISA?**

Yes – you can decide how your money is invested and switch investments within your JISA at any time. You will need to bear in mind that underlying investment providers may have their own limits for switching and how much must remain within a particular investment.

---

**Q What could I get back?**

Your child will get back the value of the investments held in their Close JISA at the time the investments are sold. There is no guaranteed amount and they may get back less than invested. The amount they get will depend on the following factors:

---

How much invested

---

The length of time it is invested

---

The performance of the underlying investments

---

Charges

---

Amount of any withdrawals taken

---

The Terms and Conditions of the underlying investment

---

**Q How will I know what my Close JISA is worth?**

The Close Brothers portal allows you to view and manage your child's Close JISA at any time. On a quarterly basis we will send you a statement showing the current value of your child's JISA.

---

**Q How do charges and expenses affect my Close JISA?**

We do not levy a charge for the Close JISA, however there may be third party fees and charges associated with buying and selling investments which you choose to hold in your JISA.

---

**Q How do I withdraw money from the JISA?**

Save for a limited number of exceptions, no withdrawals can be made from the JISA until the child turns 18 years of age. Once the eligible child turns 18 the JISA automatically becomes an adult ISA and, subject to acceptance of the child as a Close Brothers client (which shall include completion of our anti-money laundering and identity verification checks), withdrawals can be made on a regular basis, or as a single lump sum and your child can choose which underlying investments are sold to make the payment. Please refer to section 1 of this Key Features and Charges Document for more information about the Close Stocks and Shares ISA.

---

**Q What about Tax?**

You pay no capital gains tax, no further tax on any income within a JISA, and you don't need to declare JISAs on your tax return. If used regularly, your annual allowance offers you the chance to create a substantial tax-efficient portfolio for your child.

Tax benefits depend on individual circumstances. This tax treatment may change in the future. We are unable to provide you with individual tax advice. The taxation information above is based on our interpretation of current legislation and HMRC practice. Please remember that current tax benefits may change in the future.

---

**Q Can I transfer my existing JISA to my Close JISA at any time?**

Yes – you may transfer all of your child's current or previous year JISA or CTF, or part or all of a current or previous year's cash JISA at any time.

A transfer may be made in cash or by re-registering assets subject to our and your existing JISA Manager's agreement.

You will need to check with your existing JISA Manager whether they will make a charge to sell the assets and transfer the money in cash or make a charge to re-register the assets.

---

**Q Can I transfer to another JISA Manager at any time?**

---

Yes – you can transfer your Close JISA to another JISA Manager at any time provided this request is made in writing to us. You may transfer all of your current year's JISA, or part or all of a previous year's JISA at any time, provided your new JISA Manager agrees to the transfer. A transfer may be made in cash or by re-registering assets subject to the new JISA Manager's agreement.

We will not apply a charge for making a transfer.

---

**Q Can I change my mind?**

---

Yes – you will have 30 days from the date of your application during which time you have the right to change your mind. In order to exercise your right to cancel, you must do so in writing. If you cancel your child's Close JISA and the value of investments has fallen in the meantime, they will receive less than originally invested.

---

**Q What happens if the child dies?**

---

If the child dies, the account will continue but the tax benefits of the JISA will cease from the date of their death. The parent or guardian as the personal representative would then need to close the JISA. On receiving evidence of the child's death, we will take instructions from the child's personal representatives to sell the investments and pay the balance together with any interest earned up to the date of closure. The balance will take into account any gain or loss in the value of the investment.

# 7. Important information about Close Brothers Asset Management Investments

---

## Q What if I have a complaint?

---

If your complaint is about the service you have received from Close Brothers Asset Management, please write to us at the address shown in the 'How to contact us' section at the back of this booklet. You can ask us for a copy of our complaints procedure at any time. If you're not satisfied with the way your complaint is dealt with, or if your complaint is not dealt with in eight weeks, you can contact:

The Financial Ombudsman Service  
Exchange Tower  
London E14 9SR  
Telephone: 0800 023 4567

If you have a complaint regarding an individual investment, this should be directed to the specific fund manager or company concerned. A copy of our complaints procedure is available on request. Making a complaint will not affect your legal rights.

### Client categorisation

We classify you as a 'retail client' under Financial Conduct Authority rules. This means you will receive the highest level of regulatory protection available for complaints and you will receive information in a straightforward way. Most retail clients are also eligible to claim under the Financial Services Compensation Scheme.

### Conflicts of Interest Policy

Close Asset Management Limited is part of the Close Brothers Group. The Close Brothers Group has a policy on the management of conflicts of interest, covering all parts of the Group, to ensure that our clients are not adversely affected.

Details of our conflicts of interest policy are available on request.

---

## Q Where can I see your Terms and Conditions?

---

Your rights as the holder of a Close Stocks and Shares ISA, Investment Account and a Close SIPP are set out in the Close Brothers Asset Management Terms and Conditions, which may be subject to change in the future and are available on our website.

---

## Q How is this affected by the law?

---

The laws of England and Wales govern the relationship we have with you prior to, and on conclusion of any contract, and the parties submit to the exclusive jurisdiction of the Courts of England.

### Taxation information

Any taxation information contained in this guide is based on our interpretation of current legislation and HM Revenue & Customs practice. Please remember that current tax benefits may change in the future.

# 8. Can I Claim Compensation? – The Financial Services Compensation Scheme

---

## Q What is the FSCS?

---

We are members of the Financial Services Compensation Scheme (“FSCS”) – the UK’s compensation fund for customers of authorised financial services organisations, which may pay compensation if a firm is unable, or likely to be unable, to pay claims against it. In the event we are unable to meet our liabilities, you may be eligible for compensation within the rules of the FSCS.

---

## Q What are you covered for?

---

### Investment – Funds and other non-cash holdings

The maximum level of compensation for claims against firms in default is £50,000 per person per fund manager. If you are a Close Brothers Self-Directed Service client you shall not share in the full protection offered by FSCS in respect of receiving bad or misleading advice. We do not offer advice through this service

### Deposit holders

In respect of Close Brothers Limited deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts, each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £170,000. The £85,000 limit relates to the combined amount in all the eligible depositors’ accounts with the bank, including their share of any joint account, and not to each separate account

Please see the FSCS Information Sheet below for detailed information regarding how the scheme applies to Close Brothers Limited deposits.

### More information

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please refer to the FSCS website [fscs.org.uk](https://www.fscs.org.uk) or call the FSCS on **020 7741 4100** or **0800 678 1100**. Please note only compensation related queries should be directed to the FSCS.

## Additional information

### <sup>1</sup> Scheme responsible for the protection of your deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

### <sup>2</sup> General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Close Brothers Limited also trades under Close Brothers Treasury and Close Brothers Savings. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

## <sup>2</sup>General limit of protection (continued)

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor’s current or prospective only or main residence or dwelling;
- (b) a death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <https://www.fscs.org.uk>

## <sup>3</sup>Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

## <sup>4</sup>Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <https://www.fscs.org.uk>.

## Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.

## Exclusions List

A deposit is excluded from protection if:

1. The holder and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank, bank building society or credit union.
2. The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering.
3. It is a deposit made by a depositor which is one of the following:
  - credit institution
  - financial institution
  - investment firm
  - insurance undertaking
  - reinsurance undertaking
  - collective investment undertaking
  - pension or retirement fund <sup>1</sup>
  - public authority, other than a small local authority
4. It is a deposit of a credit union to which the credit union itself is entitled.
5. It is a deposit which can only be proven by a financial instrument<sup>2</sup> unless it is a savings product which is evidenced by a certificate of deposit made out to a named person and which existed in the UK, Gibraltar or a Member State of the EU on 2 July 2014).
6. It is a deposit of a collective investment scheme which qualifies as a small company.<sup>3</sup>
7. It is a deposit of an overseas financial services institution which qualifies as a small company.<sup>4</sup>
8. It is a deposit of certain regulated firms (investment firms, insurance undertakings and reinsurance undertakings) which qualify as a small business or a small company<sup>5</sup> refer to the FSCS for further information on this category.
9. It is not held by an establishment of a bank, building society or credit union in the UK or, in the case of a bank or building society incorporated in the UK, it is not held by an establishment in Gibraltar.

<sup>1</sup> Deposits by personal pension schemes, stakeholder pension schemes and occupational pension schemes of micro, small and medium sized enterprises are not excluded

<sup>2</sup> As listed in Part I of Schedule 2 to the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001, read with Part 2 of that Schedule

<sup>3</sup> Under the Companies Act 1985 or Companies Act 2006
